

SEBASTIAN LEVERETTE

(818) 331-6014 • S.leverette@outlook.com • www.sebastianleverette.com

At my core, I am a passionate artist who thrives in group environments. As an intern at Titmouse, I built practical studio experience by reviewing animations for errors and creating background designs. I built my organization and time management skills while working as a production coordinator. Since then, I have worked as a designer, where I use my Animate, Photoshop, and Harmony expertise to create overlays, color guides, designs, and floor plans.

Experience

[Oct 2020 - Jan 2021] Background Designer

Hothouse Productions (Freelance)

- Generate background designs ensuring style and quality of project are met in a timely manner.
- Work directly with the creators to resolve design challenges.

[Jul 2020 - Oct 2020] Prop Designer

Octopie Studio (Wild Life)

- Generate prop designs in a variety of angles and color variations.

[May 2020 - Jul 2020] Production Coordinator

Octopie Studio (Wild Life)

- Manage art assets and track design progress using the art database.
- Assign work and communicate notes to artists.
- Prepare assets for shipping and coordinate with outside vendors to maintain deadlines.

[Oct 2019 - Nov 2019] Production Assistant

Octopie Studio (Magic the Gathering)

- Maintain and stock the office and common areas.
- Assist the Asset Coordinator in organizing the asset database.

[Dec 2018 - May 2019] Production Assistant

Gaumont Television (F is for Family)

- Organize contact lists, scripts, and character grids and distribute copies to actors, writers, and production staff.
- Utilize software to create custom sheets that automated the addition of assets to the database.
- Organize events and facilitate communications between our staff and outside companies.
